

Activate-C
Immune Complex™ Drink

Activate-C

Immune Complex™

Defend your immune system with Activate-C.

No matter how hard you try to avoid them, you're exposed to millions of pathogens every single day. Based on the same effective science as *Activate Immune Complex® Capsules*, *Activate-C* contains proven natural ingredients that help rejuvenate and refresh your immune system and help you stay well.

Drink to your health.

Activate-C is available in convenient, take-anywhere

pouches that mix up quickly in a delicious orange-flavored drink—perfect for those who dislike swallowing pills. Each single-serving packet packs an immune-boosting punch.

Powered by Oligo®.

Oligo® technology powers the zinc in *Activate-C Immune Complex* for better absorption and protection of vitamins C and E against free radical damage than other supplements.

Designed for use with the Vitality Pack.®

Designed to complement the
VITALITY PACK®
POWERED BY Oligo™

Melaleuca designed *Activate-C* to complement the *Vitality Pack*. Taking *Activate-C* with the *Vitality Pack* helps you get more of the nutrition your body needs to maintain good health.

— VS —

Each single-serving packet of *Activate-C* provides incredible immune-boosting* power as well as a delicious orange flavor that leaves Emergen-C® in the cold.†

Compared to Emergen-C,® Activate-C provides:

- ✓ 200 mg more vitamin C
- ✓ 13 mg more zinc
- ✓ 60% less sugar
- ✓ Gluten-free
- ✓ Powered by Oligo®
- ✓ Better taste

† Emergen-C is a registered trademark of Alacer Corp.

Whether you like it refreshingly cool or soothingly hot, *Activate-C Immune Complex* provides:

1,200 mg VITAMIN C

(20% more than market leader Emergen-C®) Long credited with boosting immunity, this nutrient stimulates the production and function of white blood cells and protects them from oxidation.*

15 mg ZINC

(13 mg more than Emergen-C®) A mineral crucial to white blood cell development and maintaining immune system integrity.*

VITAMIN E (ALPHA-TOCOPHEROL)

(Emergen-C® has none) A powerful antioxidant that increases antibody formation.*

ASTRAGALUS EXTRACT

(Emergen-C® has none) One of the most extensively researched ancient Chinese herbs that helps strengthen the immune system and acts as an immunostimulant.*

ARONIA MELANOCARPA (BLACK CHOKEBERRY)

(Emergen-C® has none) A powerful antioxidant that helps regulate immune function of white blood cells.*
